

Ultra-Twin IBC Pallet® #ULT1144 - With Drain 1/package

Save money by storing two IBCs side by side.

- Ideal for storing intermediate bulk containers (IBCs), drums or other large vessels filled with chemically compatible materials
- Grates are easily removed for quick cleanup
- Drain plug lets you empty sump without relocating stored containers
- Single, continuous, high-capacity sump helps you store one or two IBC tanks in compliance with regulations
- Optional Bucket Shelf (ULT1160) catches small leaks and spills while dispensing; larger spills are channeled into the sump through a bulkhead fitting
