

Water Absorbing Flat Socks #GFSO425 - 3" x 4', 25 socks/package

Unobtrusive flat sock is easy to store and perfect for absorbing water leaks, drips or even condensation in retail and institutional settings.

- Superabsorbent polymer (SAP) sock offers excellent water absorption
- Ideal for handling water leaks, spills and condensation in large freezer or cooler areas in hospitals, restaurants, convenience stores and other institutions
- Flat socks weigh less than traditional socks, making them cheaper to ship; low-profile design takes up less room for convenient storage
- As it absorbs, the sock swells and alerts workers to a spill
- 100% post-industrial recycled filler
- Suited for water; not for use with acids, bases or aggressive fluids
