

SPILLTECH
 ENVIRONMENTALLY
 RESPONSIBLE SORBENTS

***At SpillTech, green isn't just for our logo.
 It's for our way of life!***

We are proud to bring you **over 40 items** made with 100% post-industrial recycled filler; including our entire SpillTech Exclusive AirLaid line, all our boom, socks and pillows (just to name a few). Don't forget our RagRug Industrial Rugs which utilize post-consumer waste in over 60% of its construction. Look for SpillTech's special Environmentally Responsible Sorbents logo on these products:
