## PEAT2 Technical Information

### Warnings & Restrictions:

Sold by Volume Notice

Due to its natural composition, this product is sold by volume, not by weight, in order to provide a consistent amount of product and absorbency. The physical weight of this product may vary.

### Regulations and Compliance:

49 CFR 173.3(c)(2) - The area between a container and a salvage drum used for overpacking must have "sufficient cushioning and absorption material to prevent excessive movement of the damaged package and to eliminate the presence of any free liquid at the time the salvage drum is closed."
