Tamperproof Seal Labels #A-SEAL - 6" x 2" 6 each/package

Apply this adhesive label to any spill kit to discourage tampering and remind you to restock absorbents. If workers open a sealed kit, this label breaks, alerting you that the kit has been opened and may no longer contain a full supply of absorbents.

- Self-adhesive vinyl label attaches to lid and sidewall of spill kit; breaks when container is opened
- Hi-viz yellow allows for fast location and easy inspection
