

## Water Absorbing Flat Pillows #GFIL812 - 8" x 12", 30 pillows/package

Unobtrusive Flat Pillow is easy to store and perfect for absorbing water leaks, drips or even condensation in retail and institutional settings.

- Superabsorbent polymer (SAP) pillow offers excellent water absorption — absorbs 36X its own weight!&#8232;
- Ideal for handling water leaks, spills and condensation in large freezer or cooler areas in hospitals, restaurants, convenience stores and other institutions&#8232;
- Flat Pillows weigh less than traditional pillows, making them cheaper to ship; low-profile design takes up less room for convenient storage&#8232;
- As it absorbs, the pillow swells and alerts workers to a spill&#8232;
- 100% post-industrial recycled filler&#8232;
- Suited for water; not for use with acids, bases or aggressive fluids&#8232;
