

SmartShot™ Industrial Cleaner & Degreaser #SMARTSHOT5 - 16" x 15" x 11", 2 each/package

Biodegradable industrial cleaner concentrate takes the hard work out of cleaning your facility.

- SmartShot concentrate in a 2.5 gal. F-Head container strips and absorbs oils from hard surfaces — dilute to job strength with water, spray, agitate and wipe away!
- Water-based, non-hazardous and biodegradable formulation; contains no toxic solvents, d-limonenes or high caustics typically found in degreasers
- Unlike other cleaners that melt contaminants with a high pH or measured toxic ingredients, SmartShot absorbs the oil-based grime into its makeup at the molecular level
- Job strength varies in light, medium or heavy cleaning applications; see label for dilution rates
- Suppresses odors/vapors with no perfumes or masking agents
- Specially formulated to completely remove the contaminant
- Effective on a wide range of hydrocarbons including petrol, oils, and lubricants (POL); equally effective on sugars and food-based fats, oils, and greases (FOG)
- Effective in both cold and heated power washers

SMARTSHOT5 Specifications

Dimensions:	15" W x 16" L x 11" H
Shipping	15" W x 16" L x 11" H
Dimensions:	
Sold as:	2 per package
